

## Following your Bronchoscopy

Following your bronchoscopy, you may have to wait for the results of the biopsy or investigation. This can take up to two weeks. We know this may be an anxious time for you and your family.

You may think of questions you would like answering, or feel you would just like to talk to someone.

If you feel that you need support in this way, please contact:

### **Lung Cancer Nurse Specialist on Telephone 01709 424727**

who will be happy to discuss any concerns with you. She works Monday to Friday 8.00am to 4.00pm.

If she is not available when you ring, please leave a message on the answer phone and she will get back to you as soon as possible.

If you require this document in another language, large print, braille or audio version, please contact Patient Information on 01709 424281.
